iPhone 16 Pro - 1

The screenshot shows a registration interface on a mobile device. The top bar indicates the device is an iPhone 16 Pro. The main content is a registration form with three input fields: 'Your name', 'Your email', and 'Your password'. Below these fields are three small white circles on a dark background, likely indicating a scrollable area. At the bottom is a large, rounded blue button labeled 'NEXT'. The overall design is clean and modern.

Hello!!!

EVERYday is a GOOD day to do meditation

Your body-your choose!

**Спасибо за внимание!**
